

OUTDOOR ACTIVITY DAYS CALL FOR PROJECTS

PROGRAMME DESCRIPTION

The Coalition makes a difference one day at a time by providing funding for the delivery of Outdoor Activity Days, which are targeted physical activity interventions in nature aiming to get citizens active sustainably, inclusively and responsibly.

WHO CAN APPLY?

Any not-for-profit organisation from within the European geographical area can apply to receive funding. Certain eligibility and selection criteria apply to projects.

Find the Outdoor Activity Days grants full Terms & Conditions [here](#).

HOW WE CAN SUPPORT?

Coalition support for a project can take many different shapes or sizes. Besides funding your project, we can also help facilitate access to equipment, help educate your team and provide a lot of visibility for your project and organisation.

WHO DECIDES?

Applications are reviewed and shortlisted by an independent Grant Selection Committee. The shortlist is scored by the It's Great Out There Coalition members. Applications having the highest combined Committee and member score will be attributed funding until the budget for the referencing period has been spent.
